

SPECIAL ACTIVITIES

For all

High School Students

Tuesday March 3, 2015

To Parents & Student of Darlington High School,

On Tuesday March 3rd all 11th graders in the state of Wisconsin will be taking the ACT test. This test was normally taken by 11th graders, voluntarily and at the student's cost who were 4 year college bound students. This is now mandated to all 11th graders and it is paid by the state/school. There are several procedures that must be followed when administering this test. One is to eliminate the school bells and another is making the location a quiet test taking environment.

To meet the needs of the 11th graders and also benefit the 9th, 10th and 12th graders, we have put together alternative activities for the students not taking the ACT test. The alternative activities will meet the need for the 11th graders, having a good testing environment, and include physical activities that are not done in regular physical education classes at DHS.

The plan for Tuesday March 3rd for 9th, 10th and 12th graders:

Juniors = ACT test on Tuesday March 3rd and the other classes work on Physical Education standards.

Frosh (48 students) = Ice Skating (Slice)

Soph (63 students) = Roller Skating (Roller Den)

Seniors (47 students) = Bowling (Redbird Alley)
